Our Approach

We believe that everyone does well when they can, so we aim to develop the sustainable skills to make that possible. We blend our evidence-based therapeutic approach with holistic renewal and experiential learning to create an engaging, fulfilling space for healing.

Our clinical team has extensive experience treating complex cases using a variety of therapeutic modalities, and we pride ourselves in creating tailored treatment plans to the individual needs of our clients.

Our Treatment Model

Our clinicians use a blend of client-informed, evidence-based therapeutic modalities to offer customized, effective treatment. Some of these include:

- Integrative therapy
- Acceptance and commitment therapy (ACT)
- Dialectical behavior therapy (DBT)
- Cognitive behavioral therapy (CBT)
- Family therapy
- Life skills practice and application
- Nature-based therapy
- Yoga therapy
- Art therapy
- Somatic therapy
- Medication management

Family Therapy Program

Our family program guides families along every step of their journey by providing education and intervention with authenticity and integrity. Not only does our program help families who have a loved one in treatment, but it also helps prepare them for life after treatment. We offer family therapy sessions, in-person family education and process groups, as well as virtual support groups for the loved ones of our clients.

Payment Options

We offer a variety of payment options, including in-network, out-of-network, and private-pay rates. Please contact us at 844.670.2424 to learn more about the financial and insurance options available.

Note: We do not accept Medicare or Medicaid.
