

In the field, “overwatch” means having your six — providing cover when it matters most. At STR Silver Pines, Overwatch means the same: standing guard for those who’ve dedicated their lives to protecting others. Designed exclusively for military veterans, this program delivers mission-driven care for trauma, addiction, and mental health challenges — because you shouldn’t have to fight this battle alone.

WHAT WE TREAT

- Anxiety disorders
- Depressive disorders
- Dual diagnosis
- Post-traumatic stress disorders
- Trauma
- Substance use disorder

LEVELS OF CARE

As part of Overwatch, we offer specialized medical detoxification and residential treatment programs exclusively for veterans and first responders. STR Silver Pines provides a structured, supportive environment to help clients heal from trauma, build resilience, and regain control of their life.

THE STR SILVER PINES DIFFERENCE

STR Silver Pines offers evidence-based treatment for substance use and co-occurring mental health disorders, delivered by a multidisciplinary team of clinical and medical experts. Care is led by board-certified psychiatrist Dr. Matthew Sommons, with support from Dr. Matthew Sophy and 24/7 nursing staff.

- Weekly groups address PTSD, trauma, critical incident stress, and reintegration challenges.
- Private or shared accommodations with fellow veterans or first responders for a supportive environment.
- Priority same-day admissions and transportation available within six hours of the facility.
