

Now Offering: Drug & Alcohol Assessments

Whether you're seeking support for yourself, a loved one, or fulfilling a legal or treatment requirement, our drug and alcohol assessments are confidential, compassionate, and client-focused. Taking the first step toward recovery begins with understanding.

At STR Behavioral Health - Lancaster, we provide individuals with clarity about their substance use and offer personalized treatment recommendations.

What to Expect:

Our experienced clinicians conduct an in-person assessment to evaluate:

- **Substance Use History:** Patterns, frequency, and duration of drug and/or alcohol use.
- **Brief Mental Health Evaluation and Bio-Psychosocial Assessment:** Screening for co-occurring conditions such as anxiety or depression, as well as other factors that are contributing to substance use.
- **Impact on Daily Life:** How substance use affects relationships, work, and overall well-being.
- **Treatment Recommendations:** Individualized suggestions include detoxification, residential treatment, partial hospitalization program (PHP), intensive outpatient program (IOP), general outpatient program (OP), or individual counseling.

Important Information:

- By appointment only. Please call (717) 922-9699 to schedule.
- Please bring a photo ID.
- Cash or credit card payments are accepted.

This assessment is designed to provide a clear path forward, ensuring individuals receive the appropriate care and support for their recovery journey.
